

Macaroni Grill Allergen Information

At Macaroni Grill, a top priority is always the health and safety of our guests. As part of this ongoing commitment, we provide the most current allergen menu information available from our food suppliers on the eight most common allergens to help our guests with food allergies to make informed food selections. Below is a link to suggested menu items for Egg, Fish, Dairy, Peanuts, Shellfish, Soy, Tree Nuts, and Wheat/Gluten allergens.

Because this list expires on a MONTHLY basis, please be sure to contact us for an updated version. We hope that you are able to choose a meal to your liking and look forward to serving you soon.

At Romano's Macaroni Grill, a top priority is always the health and safety of our guests. As part of our commitment to you, our allergen menus are based on product information provided by Macaroni Grill's approved food manufacturers. Every effort is made to keep this information current. However, it is possible that ingredient changes and substitutions may occur due to the differences in regional suppliers, recipe revisions, preparation techniques, and/or the season of the year. Certain menu items may vary from restaurant to restaurant and may not be available at all locations. We highly recommend that our guests with food allergies or special dietary needs consult with a restaurant manager prior to placing an order to ensure the posted information is accurate and represents the menu items sold at that particular location. Limited time offers, test products, or regional items have not been included in the menus.
